

2013 Driver Calendar Photo Competition

We want to produce a 2013 Super Service calendar that will showcase images from our Professional Drivers.

Picture submissions will be accepted through Friday, November 16, 2012 and we will be awarding prizes for the top three submissions:

1st Place—\$300 Visa Gift Card

2nd Place—\$200 Visa Gift Card

3rd Place—\$100 Visa Gift Card

The calendars theme is:

“Trucking Safely Across America”

We want to capture the beauty of America in our 2013 calendar. From the snowy Northeast to the beauty of the Northwest. From the sunny South to the fields of West Texas—and everywhere in between.

Include your truck in the shot. We’re not looking for the most professionally shot images, just the ones that capture the beauty of America and it’s open roads.

As with all we do, safety must be first and foremost. We will only accept and consider photos that are taken safely; please do not endanger yourself or others to get a picture.

Do not illegally park for a photo opportunity.

We will accept photos from cell phones but would prefer digital camera images for production quality.

Instructions will be provided on the Super Service website and Facebook page as to how to submit images.

Super Service, LLC reserves the right to use any submitted photo at any time for any purpose. Winners and finalists will be chosen at sole discretion of Supers Service, LLC. Safe practices MUST be used when obtaining photos for submission.
